INSURANCE AND FINANCIAL POLICY

Chiropractic care is covered under many insurance plans. Most of our patients that have health or accident insurance will fall under one of the plans discussed in this policy. We ask that you read and understand our policy as it applies to your particular situation.

PATIENTS WITHOUT INSURANCE

We request that 100% of the first visit be paid at the time of the visit. On other visits, payment may be made at the end of the week if you sign a credit guarantee form. We are happy to accept your cash, check, Master Card, Discover or Visa. Chiro-Choice is an option for our valued patients who do not have health insurance or whose insurance will not cover chiropractic care. With Chiro-Choice, you will receive the following discounts on all of the chiropractic and physical therapy services we provide:

50% on all tests, 50% on exams and re-exams, 50% on physical therapy, and 30% on manipulations.

GROUP OR INDIVIDUAL INSURANCE

When possible, we will call to verify benefits on your insurance. However, the benefits quoted to us by your insurance company are not a guarantee of payment. Payment will be due by you at the time of service for any non-covered services, deductibles or co-pays.

“ON THE JOB” INJURY (Worker’s Compensation)

If you are injured on the job, your care should be paid for under your employer’s Worker’s Compensation insurance. You will need to inform your employer of the accident and obtain the name and address of the carrier of their insurance. If your employer does not provide us with this information, if a settlement has not been made within 3 months, or if you suspend or terminate care, any fees and services are due immediately.

PERSONAL INJURY OR AUTOMOBILE ACCIDENTS

Please notify your auto insurance carrier of your visit to our office immediately. Notify our insurance department immediately if an attorney is representing you. Although you are ultimately responsible for your bill, we will wait for settlement of your claim for up to six months after your care is completed. Once the claim is settled or if you suspend or terminate care, any fees for services are due immediately.

MEDICARE

We do accept assignment from Medicare. The check is usually sent directly to our office in payment of the services that Medicare will cover which for Chiropractors is ONLY manual manipulation of the spine. Medicare pays 80% of the allowable fee once the deductible has been met. You are required to pay the deductible and the remaining 20% as well as any non-covered services. Our office completes and files the forms for Medicare at no charge.
